MISSION OF TECH FOCUS AREAS

• Aggregation of Autonomous Systems Innovation Assets
• Marketing those Assets
• Shepherding Companies to Labs

WHAT TFA IS NOT

▶ Collaboration and Deal Making
▶ Collaboration and Deal Making is the responsibility of Laboratory T2 Directors
A Company expresses interest in a technology via Industry Bridge Organization or FLC Business/TFA

A Company requests an introduction to a Federal Lab

A Company is introduced to a Federal Lab

A Conversation begins between a Federal Lab and a Company
AUTONOMOUS SYSTEMS BRIDGE PARTNERS

- Unmanned Aerial Systems Cluster Initiative
- Association of Unmanned Vehicle Systems International
