

ENGAGE

with the Federal Laboratory Consortium

OPTIMIZE

Your Tech Transfer Outcomes

ACCELERATING FEDERAL INNOVATIONS

The Federal Laboratory Consortium (FLC), a nationwide network of **more than 300 federal labs**, facilities and research centers, provides strategies and opportunities for **accelerating federal technologies out of the labs and into the marketplace.**

The FLC **promotes** technology transfer (T2) successes, **educates** T2 professionals and **facilitates** T2 through public-private partnerships. These three focus areas support the FLC's mission to increase the impact of federal T2 for the benefit of society, the economy and national security.

WHAT CAN THE FLC DO FOR YOUR LAB?

PROMOTE

Publicize your lab's T2 successes

EDUCATE

Sharpen and expand your T2 skills

FACILITATE

Identify and connect with T2 partners

Take a look at the services provided by the FLC, then contact us to learn more at info@federallabs.org

Federal Laboratory Consortium for Technology Transfer

PUBLICIZE T2 SUCCESSES

The FLC helps increase the impact of federal tech transfer by raising awareness of federal R&D and the significant economic and societal benefits of moving federal innovations from lab to market. Promotional channels include email, social media, printed publications and the FLC website.

Awards: Earn prestige and recognition for your lab's T2 excellence

Planner: Visually showcase your technologies

Labs in Action: Share successes with prospective partners

LabTech in Your Life: Claim a spot for your technology on an interactive virtual tour

FLC Website: Find all FLC promotions in this central hub

GAIN AND SHARPEN T2 SKILLS

The FLC educates federal tech transfer professionals and their partners about commercialization strategies through training opportunities and reference materials. Our in-person and online training allows anyone—from novice to expert—to expand their knowledge for improved tech transfer outcomes.

FLC Learning Center: Expand your T2 skills and track your training

FLC National Meeting: Attend the preeminent annual conference for federal T2

T2 Resources: Learn about tech transfer terminology, policies, mechanisms and more.

Careers: Explore educational paths and job lists curated specifically for T2

CONNECT WITH T2 PARTNERS

The FLC's engagement opportunities support T2 partnerships in multiple ways. We help federal labs showcase the technologies, facilities and expertise they offer. We also help nonfederal organizations navigate the FLC's network of member labs to identify the best match for a collaborative venture.

FLC Business: Highlight your lab's assets in this searchable database

Industry and Tech Events: Focus on a specific tech or industry sector at these FLC-hosted networking opportunities

Engagement Opportunities: Virtually showcase what your lab has to offer

Partnering Events: Make connections with FLC and others at gatherings hosted by our strategic partners

Tech Transfer Services: Choose from the FLEX program, agreement matrix, intent to license notices and more
