

AUTM – FLC Collaboration

2020
FLC
NATIONAL
MEETING

Some Potential Interactions

- Developing agreement principles (not an actual template) for CRADAs that could improve University-Federal lab agreements;
- Identifying ways to better connect federal lab TTOs with University TTOs.
- Exploring a joint partnering/regional showcase – maybe in conjunction with state economic development agencies

MEETING

COVID-19 Story FLC and AUTM

- Joint listing of technologies
- Pointed to each others pages for COVID research
- Developed successful partnership

AUTM's CEO, Steve Susalka, and FLC's Executive Director, Paul Zielinski, shed light on how the two organizations are collaborating.
